NEW

New product added

Legplate Adapter Cables

989803137651	For use with 989803137631 and 989803137641 fetal spiral electrodes	17
989803137791	For use with 989803137631 and 989803137641 fetal spiral electrodes	17
989803137801	For use with 989803137631 and 989803137641 fetal spiral electrodes	17
989803137811	For use with 989803137631 and 989803137641 fetal spiral electrodes	17
989803139771	Attachment Electrode, minimum shelf life 6 months	17

Cardiograph Batteries

40488A	BAT Lead Acid Battery. Minimum shelf life: 1 month	25
--------	--	----

Product removed

Patient Cables

M3703A	Color coded 10-lead patient cable, IEC Trunk cable and leadset with 4mm banana plugs	9
--------	--	---

Patient Data Cables

M1720A	PageWriter XL patient data cable	10
--------	----------------------------------	----

Electrodes Connectors

40475A	Snap lead, adapter AAMI	15
--------	-------------------------	----

Recording Paper

40479A	Plasticized thermal strip chart recorder paper (Kowa)	26
40458A	Plasticized thermal video imaging paper (Mitsubishi)	26

Dear Customer:

If you're looking for high-quality medical supplies to optimize the performance of your medical devices, you'll find them right here. Whether your focus is on quality patient care, reliability, or cost containment, you can turn to a single source – Philips Medical Supplies. Explore our complete family of supplies, from electrodes to SpO₂ sensors, for every area of care.

With Philips, you can buy your medical equipment and supplies from a single source, simply and easily. Use this guide to find the Philips supplies you need – or go to our website to purchase supplies: <http://www.philips.com/healthcarestore>

Using this guide

Latex Cautions

Philips Medical Supplies currently distributes over 600 products, of which less than 9% contain natural rubber latex or dry natural rubber that could contact humans. Because these substances may cause allergic reactions, products in this guide that contain them are identified with the following symbol:

LATEX

Caution: Products that are identified with this symbol contain dry natural rubber or natural rubber latex that can come into contact with humans and may cause allergic reactions.

To the best of our knowledge, products not identified with this symbol are not known to contain natural rubber latex or dry natural rubber. The latex symbol indicates **only** which **medical supplies** contain natural rubber latex or dry natural rubber that can come into contact with humans and may cause allergic reactions. If you want to know whether a Philips **medical device** contains natural rubber latex or dry natural rubber, refer to the product labeling.

The FDA requires that products be labeled with human contacting latex content information when appropriate. Always refer to product labeling for accurate information on human contacting dry natural rubber or natural rubber latex.

CE Marking

Products labeled with this symbol conform to the European Union (EU) directives as mandated by EU member state legislation and are available for sale in Europe to countries that accept CE marking with restrictions as may be noted. Medical devices labeled with this marking means the product is in conformity with the European

Medical Directive (MDD): 93/42/EEC Council Directive of 14 June 1993 on the approximation of the laws of the Member States concerning medical devices.

In order for a product to be able to be labeled with the CE marking, product quality and manufacturing quality systems must be documented to comply with certain standards. Compliance with the European directives and regulations ensures a standard level of performance for device function, safety, and health protection for users, patients, and others.

The CE symbol provided with some products in the Philips Medical Supplies Reference Guide and online store is intended only as an indication of availability in EU countries and is not intended as a legal product marking.

Countries that accept CE marked products include Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Russia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and the United Kingdom. A CE mark does not necessarily indicate that a product is marketed or distributed in all of the countries listed above.

Non-medical products that comply with other harmonized directives may also bear the CE mark.

Note: Some products identified in this catalogue may not be licensed in accordance with Canadian law.

Ordering Information

To order the medical supplies in this guide or to obtain more information or additional literature, contact your Philips Medical Supplies representative near you or visit our website: <http://shop.medical.philips.com>

Online Ordering

Online ordering is a simple process:

1. Log in using a secure password.
2. Enter the product number and quantity in the shopping cart.
3. Enter your PO or credit card number at check-out.
4. Your order is immediately transferred into our fulfillment system, where you can track it anytime.

If you are new to the web, we can guide you through the process on the phone in minutes. Many new users tell us that the ordering process is so intuitive that they do not need help, even the first time.

You can search for supplies in the online catalog three easy ways: by application category, Philips instrument, or keyword.

If you currently transmit via MMS/EDI or auto fax, the interactive system provides real-time information and services not available through one-way transmissions.

Online ordering is available to U.S. customers at the following url: <http://www.philips.com/healthcarestore>

Disposable ECG Electrodes (continued)

Product #	Description	Packaging	Use With:
M4612A CE	Solid gel snap Electrode	5/pack = 300/case	DigiTrak XT
M4613A CE	Solid gel snap electrode	30/pack = 300/case	DigiTrak XT

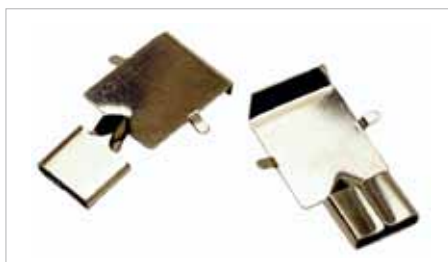

M4612A/M4613A

Limb Plate Electrodes

Product #	Description	Packaging	Use With:
14030A CE	Rubber limb plate strap for electrode (15")	4 straps	Limb Plate Electrodes: 40424A, 40491E, 40494E
REVISED 40424A	Limb plate electrode for push-in type connection (not available in Europe)	4 electrodes	Cardiographs with standard 1/8 inch post end leads
40491E CE	Limb plate electrode for 4mm banana plug leads (push-in connector)	4 electrodes	All cardiographs with standard 4mm banana plug leads
40494E CE	Limb clamp electrode, clothespin type for 1/8" post end leads or 4mm banana plug leads, screw connector.	4 electrodes	All cardiographs with standard 1/8 inch post end or 4mm banana plug leads

Welsh-Bulb Electrodes

Product #	Description	Packaging	Use With:
40418A (LATEX)	Welsh electrode, 5cc bulb (not available in Europe) Shoulder screw connection. Cup diameter: 15mm	6 electrodes	PageWriter Cardiographs
40421A (LATEX)	Welsh electrode, 5cc bulb (not available in Europe) Push-in connector for 1/8" post cable end. Cup diameter: 15mm	6 electrodes	PageWriter Cardiographs
40490E CE (LATEX)	Welsh electrode, 5cc bulb Push-in connector for 4mm banana plug cable end.	1 electrode	PageWriter Cardiographs

40418A

40490E

Replacement Bulbs for Welsh-Bulb Electrodes

Product #	Description	Packaging	Use With:
40419A (LATEX)	Adult size replacement (5cc) bulb for all 15mm diameter electrodes	12 bulbs	Replacement bulbs for 40418A, 40421A, 40490E
40422A (LATEX)	Small size replacement (2cc) bulb for all 15mm diameter electrodes	12 bulbs	

40419A

Cardiograph Paper

Recording Paper

Product #	Description	Packaging	Use With:
989803137011	StressView thermal paper. Z-fold with red grid and no header. Size: 8.5" x 11"	1 case = 12 packs = 3000 sheets	StressVue: 860295
989803143031 CE	StressView thermal paper. Z-fold with red grid and no header. Size: A4 format	1 case = 12 packs = 3000 sheets	StressVue: 860295
CBD20257	Cambridge Heart Stress Chart Paper	1 case = 10 packs = 3000 sheets	Cambridge Heart: CBD2000A
M1707A CE	PageWriter XL thermal paper. Z-fold with 206mm red grid and 2 7/8" (7.3cm) header. Size: 8.5" x 11"	1 case = 8 packs = 1600 sheets	PageWriter XL Cardiographs: M1700A, M1701A, M1702A
M1708A	PageWriter XL thermal paper. Z-fold with 279mm red grid and no header. Size: A4 format	1 case = 8 packs = 1600 sheets	PageWriter XL Cardiographs: M1700A, M1701A, M1702A
M1709A CE	PageWriter XL thermal paper. Z-fold with 212mm red grid and 6.7cm header. Size: A4 format	1 case = 8 packs = 1600 sheets	PageWriter XL Cardiographs: M1700A, M1701A, M1702A
M1710A CE	PageWriter XL thermal paper. Z-fold with 300mm red grid and no header. Size: A4 format	1 case = 8 packs = 1600 sheets	PageWriter XL Cardiographs: M1700A, M1701A, M1702A
